

The City of Fitchburg Health Department and Mayor Samantha M. Squailia

invite you to attend a **COMMUNITY INPUT FORUM**

The City of Fitchburg is taking part in the National Opioid Settlement reached by the MA Attorney General and several opioid manufacturers and distributors. This settlement makes funds available to adopt strategies to expand opioid prevention, treatment, recovery and harm reduction services within their community. The City of Fitchburg is committed to a having a transparent and public-informed decision-making regarding the use of the opioid settlement funds. Input from Fitchburg residents such as families and people living with opioid use disorder, as well as organizations who have been most affected by the opioid epidemic, and service providers, will be collected.
